About This Game

AV-17 is a FREE 2D action platformer inspired by information technology and BUBBLE BOBBLE!! You play as A.V. (anti-virus) tasked with cleaning up a highly infected system until you can locate The Source of the infection! Good luck, this system has not been patched in a while!

With a K.I.S.S mentality to game design, AV-17 is easy to learn and fun to play, by yourself or with a friend sitting next to you.

AV-17 Features:

- As the name implies, 17 levels to scan and clean up to find The Source.
 - 26 different infection types
 - 5 unique bosses
- Single player and local co-op
 - 4 Scan gun powerups
- 4 special items to aid your fight
- Fun I.T. sites to see and interpret for yourself along the way!
